

OCEAN CREST SCHOOL

HALF - THIRD TERM NEWSLETTER

May 2026

Dear Parents...

Welcome back, and what a memorable half-term we had together before the break.

It was a busy, brilliant few weeks — assemblies, sports wins, exams, and Year 6 baking all showcasing Ocean Crest's energy, ambition, and heart. Thank you for supporting your children and making those moments possible.

Now we are back, we move into the final half-term of the school year, ending mid-July. Here's what stood out from last half-term and what's coming up:

Assemblies That Stole the Show

From EYFS to Secondary, our pupils owned the stage with confidence, creativity, and teamwork. Every child who stepped up made us proud.

Sporting Spirit – Grit, Growth, and Glory

Our football team showed true resilience: losing the first match, learning fast, and bouncing back to win away. Well done to the team and their coaches.

Safety First

We cancelled the excursion to Abeokuta due to low turnout and safety concerns. At Ocean Crest, keeping your child safe always comes first, and we appreciate your trust.

Year 6 Life Skills

Year 6 wrapped up the term baking, tie-dyeing, and tackling team challenges — building confidence and real skills, and leaving everyone happy, proud, and excited.

Looking Ahead – Final Half-Term

The weeks ahead are packed with events you won't want to miss:

What's Coming Up:

- **Father's Day Celebration** - Honouring the dads and father figures who make a difference
- **Primary Production** - A spectacular showcase of talent on June 26, 2026. Save the date.
- **Graduation Ceremonies** - Milestones, confetti, and happy tears
- More enrichment, clubs, and energy across all sections

TIPS FOR GETTING CHILDREN TO READ AT HOME

1. Set up a reading corner: This actively encourages your kids to read, as the provision has already been made for them

2. Read with them: This not only brings you together as a family, it encourages them to read more as well

3. Keep Track Of Their Reading: Once you get them reading, have them review the books they've read. This way, you can help them build their comprehension skills, as well as interest them in even more books.

Let's make this final half-term count as we head toward mid-July.

Kind regards,

Ocean Crest Team.
