TERM 2 NEWSLETTER
2025/2026 ACADEMIC SESSION

January 2026

Dear Parents and Guardians,

Welcome Back!

We are delighted to introduce our whole-school theme for the Spring Term: "Growing Together."

This term, we will focus on nurturing every pupil's academic progress, emotional wellbeing, character, and sense of responsibility—both within our school and in the wider community.

HAPPY
New Year

Spring 1 – New Beginnings

Pupils will be encouraged to embrace fresh starts, establish positive routines, build resilience, and set meaningful goals for their learning and personal development.

Spring 2 – Our World, Our Responsibility

We will turn our attention to kindness, inclusion, respect, environmental stewardship, and active citizenship. Pupils will explore how their actions can make a positive difference in the lives of others and the world around them.

These themes will be woven throughout assemblies, classroom learning, PSHE lessons, and whole-school activities, with content tailored appropriately for each year group, from EYFS through to Primary.

Thank you for your continued partnership. Together, we can support every child to grow in confidence, character, and learning.

Parents are encouraged to pick up their child(ren) immediately after school closes to ensure the safety and well-being of their children. Late pick-up will attract #2000
